Millennium-TBI Centers Programs and Costs

Program	Cost	Provides
TBI Evaluation – Civilian	\$2,500.00	<ol style="list-style-type: none"> 1) Remote (walk in lab draw center or in home/office) blood draw or in our Encino office. 2) Comprehensive laboratory testing for Neurosteroids, Neuroactive steroids, trophic hormones, biochemistry, and complete cell count. 3) Initial 4-page report with review of lab results and a suggested treatment protocol. 4) Consult with physicians (In Office, Skype, or Phone) for 45 – 75minutes to review the results and offered treatment protocol. 5) Upon completion of the consultation a 60-65-page personalized Handbook is emailed to you. 6) Arrangements with the office and or your personal physician to obtain the proposed treatment protocol. 7) 6 months of Monthly Program Questionnaires with follow-up. These are used to monitor responses to your protocol every 30 days.
Military TBI Program	\$1,500.00	As above with cost being subsidized by a partial grant. This is provided by friends of the practice.
RAP2017	\$949.00	A condensed TBI assessment program for patients with mild TBI (mTBI). Acceptance into this program is by Invitation Only after review of Enrollment forms. Bio-chemical testing is included.
Wellness <40	\$2,500.00	Comprehensive hormonal and bio-chemical evaluation for optimal functioning.
Wellness >40	\$2,750.00	Same as above but with a PSA and Advanced Cardiac Inflammatory Bio-markers panel (PLAC2, CRP, LP(a), sdLDL, and 10 other markers).
Low Testosterone	\$1,750.00	This program looks at the different causes for low testosterone from testicular problems (1°), pituitary (2°), and hypothalamic (3°). The influence of a prior TBI and supportive pro-hormones are assessed too.
Finasteride Syndrome (PFS)	\$1,750.00	Finasteride damages two separate hormonal pathways in the brain. To date, most approaches to treatment are looking at one pathway. Our success rate has been posted by patients on PFS Blogs.
Average Treatment costs	6 months	Approximately \$217.00 per month for initial 6 months then approximately \$140.87 for 6 months. Actual Treatment costs may vary based upon labs and responses to initial treatment.

Low-cost Medical Services Loans are now available through [Parasail](https://app.parasail.com/partners/millennium-health-centers-tbi/):
